Thread: [YourWonderful.net \[Anti-Suicide\]](#)

Admiral Nelson - April 22, 2012, 8:45 pm

Im making an anti suicide website. 2 days ago last year my friend shot himself. Lost a chunk out of me.

What i would like is just some beautiful colorful text that says:
Your Wonderful

Normal logo size. Nice and big though. I can always resize. I want it as a PNG

Rourke - April 22, 2012, 8:46 pm

I don't do graphics, but sorry for your loss. Hopefully what your doing will cheer some people up :)

Its just going to be fun.No problem, any little bit can matter to be honest. What your doing will make someone you know proud, and if you get the site out there, possibly save a life.

If you have photoshop, i'd just download a cool text PSD from deviantart, like one of these.

Because theres always a reason to live?

There's always a chance to change your life and be happy rather then die?

Thanks man! It means alot. I hope this helps everyone who sees it.

Rourke - April 22, 2012, 9:21 pm

I gave it a go for some reason, outcome probably horrible.

?????s? - April 22, 2012, 11:33 pm

Firstly, change the name.

Your = Possessive

You're = You Are

Should be "You're Wonderful" as in You are wonderful.

Not: Oh, that's your wonderful girlfriend

But I would love to see this site up. Sorry about your friend Phineas! Talk to me later on Skype :)

Admiral Nelson - April 23, 2012, 12:26 pm

NOT MAKING FUN OF SUICIDE

I don't think this site will stop evryone from taking your own life. But i think it will stop a couple, they need to think on somthing fresh, unlike you, only negative. You should visit that site, when its done, and then you can start on a fresh start! <3 hallelujah!

Admiral Nelson - April 25, 2012, 1:05 pm
