Thread: [250+ MB's of Python Programming Ebooks \(Includes Game Programming Ebooks Multiple\)](#)

REPmeansNothingSkids - April 24, 2012, 9:56 pm

Hi, I am releasing these Ebooks I have gathered from various sources. I did not write these, nor did I help in anyway with them. Credit to those who created them. Not all of these are quite up to date, but they will benefit those interested in Python greatly.

[Python Programming Set One.zip - 71.9 MB](#)

Spoiler ([Click to View](#))
[Programmind Set One](#)

[Programming Game in Python.zip - 5.0 MB](#)

Spoiler ([Click to View](#))
[Game Set](#)

[Python Programming Set Two.rar - 172.0 MB](#)

Spoiler ([Click to View](#))
[Set Two](#)

for some reason my images werent showing so i setup a link to them directly

REPmeansNothingSkids - April 25, 2012, 11:03 pm

Bumping this topic as it has a lot of good information in it

Nordic - April 26, 2012, 5:52 am

Thank you for posting this, might start with python when i have learned to code more advanced stuff in vb.net.

I just started with vb.net but you can never have to many tutorials!

REPmeansNothingSkids - April 26, 2012, 12:22 pm

NP vb.net is a great language. gl with learning more about it.

dercas - April 26, 2012, 1:21 pm

Currently downloading these e-books, they will fit my collection perfectly.

Thank you, kind Sir.

REPmeansNothingSkids - April 26, 2012, 11:34 pm

NP, hope that you enjoy and learn from them.

Wannabehackzor - April 27, 2012, 9:45 pm

Awesome, thanks for the post can't wait to read these!

REPmeansNothingSkids - April 27, 2012, 11:28 pm

NP, Hope you enjoy the books. Good read.

ven0m - April 28, 2012, 12:51 am

This is really a nice share bro.

Thanks for the contribution.

~ven0m

REPmeansNothingSkids - April 30, 2012, 12:51 pm

No problem. Hope you are enjoying the books.

REPmeansNothingSkids - May 6, 2012, 11:31 pm

Been about 7 days now. Bumping this topic so others may learn.

TGj3n - December 16, 2012, 5:30 am

Thank you for these great books. This is a great share.

zemikegfx - April 30, 2013, 2:39 pm

Looks pretty good bro :D Thanks

Seems legit

Gate-7-Hools - December 18, 2015, 9:16 am

I dont fuckin know how i got ere,but thanks for posting those mate...I will check them out and sorry for gravedigging :P

BobsNana - December 19, 2015, 3:19 am

None of the downloads or screenshot links work. OP also has massively negative reputation.

Feanor - December 19, 2015, 5:07 am

do these ebooks come with a free a trojan?

casruf - December 19, 2015, 11:56 pm

Thank you for the ebooks.
