Thread: [IN NEED OF HOT GIRLS FOR FLYERS!](#)

Th? Jok3?™ - April 25, 2012, 6:55 am

Hey!

I can't find any proper female model renders for my flyers.

Like here:

Can anyone help me out ? Some packs would be nice <3

This should be in Graphic Requests.

I'd like to see this moved accordingly.

for your information graphicriver's templates are sold without the models pictures :)

here's a place where you can find some nice renders of models : <http://officialpsds.com/>

good luck

Description says, Graphic Requests are for sigs and such.. I don't need a graphic made, so this is the only section left.

and THANKS <3

That's why I am looking for some models bro :DGraphic requests are for anything that is related to graphics that you request.

Not just for sigs.

I need more pics, anyone ?Yes it does, the Graphics Request section was made for Graphic Requests.

No point having it there if it doesn't matter where you post your requests.
