(Apr 27, 2012 12:10 PM)Dragon Born Wrote: [\[CITE\]](#) Nice,thanks for the share,Repping you,enjoy! np :) Hope you enjoy it. If any questions, feel free to PM me and i'll help you over team viewer. If you want LED or PIXEL effect and dont know how..

only doing team viewer for l33t+ub3r.. btw

Airon - April 27, 2012, 12:13 pm

Thanks for the great share man it is appreciated and its really nice. (:

Tech Experts - April 27, 2012, 12:13 pm

cool thanks in advance :D :) <3

BIG VOUCH !

TradeMark™ - April 27, 2012, 12:14 pm

First time for me ever using actions on photoshop and it seemed to have worked out perfectly. For me I tested around with the filters & the pixel/led effect for different products. Thank you very much for this download & Plus reputation! :)

+ VOUCH!
