Thread: [1 nVPN account for sale membership ends in 2012-11-07\(DEDICATED/1 SERVER SWITCH LEFT\)](#)

SamyPammy - April 28, 2012, 10:26 pm

Hey guys I have one nVPN account I am selling of mine that I do not need anymore since I got lifetime accounts and this one has only 7 months and a bit left on it.

Of course I would change the email onto your email and whatever name you desire to the account.

here is a picture for proof.

Please offer me what you are willing to pay and I will pick the highest buyer.

I don't think so my friend, I paid a lot more then that. I am not expecting all of my money back but \$5 is low.

Whoever offers me \$25 first will get it, also I only take paypal.
