Thread: [\[EASY\] How to find a Skype IP in seconds. \[EASY\]](#)

Krimbo - April 29, 2012, 10:52 am

Site no longer works, or so it seems..

Nevermind, was good while it lasted.

Holy shit it actually works. I'd love to have this source if it was yours.

DigitalWizard - April 29, 2012, 11:23 am

Wow, Nice find mate!!! I didnt know about this. Could have used this a few days ago :)

Cosmo??? - April 29, 2012, 11:23 am

I hate how so many people leaked the site.

Oh well.

Thanks for sharing, OP.

.kDS - April 29, 2012, 11:24 am

I think nowadays everyone uses that to DOX people from skype...

Anyway thanks for the sahre.

Yea it kinda is. No one knew about it then all of a sudden it came out.
Only me and a few others knew it.

hackingeveryone - April 29, 2012, 1:28 pm

Omg ty!!! But what can I do with a IP? I'm new.
