The Unofficial Gears of War group on HF!

What do we do?

A group of Gears of War players who play together and discuss anything Gears of War! We are also trying to rebuild the Gears community to something bigger and better![/color]

How I you join?

Must have 50+ posts

Must have positive rep at least 5

Must be a member for more than a month

Must be mature and be active in the gears group

When accepted into the group put "Gears" in either your signature or usertitle

How do I get accepted?

Fill this out!

How long have you been playing gears?

How old are you?

Why do you deserve to be in this group?

Do you play competitively or casual?

If you have any more questions PM me!

How long have you been playing gears? I've played for 3 years / GOW1 and GOW3

How old are you? 17

Why do you deserve to be in this group? Because I'm a fucking rapist in gears3

Do you play competitively or casual? competitively/casual
