Alex™ - April 30, 2012, 7:47 pm

I have seen allot of the bank robbery movies but not allot of prison escape ones.

Please, nothing remotely scary.

Thanks ;)

Grumpy - April 30, 2012, 7:48 pm

The Bank Job with Jason Statham in. Only bank robbery film worth watching, IMO.

Hustler - April 30, 2012, 7:48 pm

Well 'The Town' is my favorite bank robbery movie. And you should watch the tv series 'Prison Break'. Its amazing!

Watch Prison Break, very good show on Netflix

vnomous - April 30, 2012, 7:51 pm

Agree. Prison Break is awesome. Try Die Hard sequels too, though they aren't wholly about bank robbery.

What you planning on doing buddy?

And watch "Blood in blood out" you can find all parts on youtube, its gang related mostly prison.

Modify - April 30, 2012, 7:54 pm

The Italian Job, probably the most interesting heist movie ever made.

Be sure to watch the 2003 version if you haven't already.

I've seen Felon, great movie. It starts off as a normal married couple with a child and a burglar

comes in and he chases him with a bat and hits him and accidentally kills him. He is sent to prison for manslaughter. The movie is really intense and you'll love it.

Started watching Prison Break 2 days ago and already finished with the first season. HIGHLY recommend you watch it.

VitricTyro - April 30, 2012, 11:06 pm

Inside Man or Reservoir Dogs are both great robbery movies.
