Thread: [Super Hide IP \[Wanted\]](#)

mkdniki - May 1, 2012, 9:48 am

I was looking for this program everywhere but it seems to be backdoored. If anyone have the full and clean version please PM me as soon as possible. Thanks in advance.

wegotb0atz - May 1, 2012, 1:43 pm

All proxy pr0gz r bakdoored br0

Use normal proxies yo.

samsepi01 - May 1, 2012, 1:53 pm

If you are just looking for a way to hide your IP, there are many free VPN programs out there. You could try that. I've never heard of Super Hide IP, so I can't help you there.

n4m3less - May 1, 2012, 2:45 pm

hey, I have the full version...

<http://www.mediafire.com/?hujtiqsmed7c92c>

install and put crack in crack folder in the installed folder

DaNnY225 - May 1, 2012, 2:58 pm

thanks in advance will try to install this ;)
