Thread: [DrivenGaming 'Looking for a designer'](#)

Zerballs - May 5, 2012, 11:34 pm

Hi

I am currently looking for a new designer for my gaming team DrivenGaming.

We currently have a designer who has designed quite a few of our designs, but his skills are 'Photo-shopping' not creating logos from scratch.

To be recruited by this team please post your version of a DrivenGaming logo below and my team and I will judge/select a winner!

If you wish to find out more about DrivenGaming you can visit our YouTube channel:

<http://www.youtube.com/user/DrivenGaming> (no videos yet still waiting for a couple of things)

This is not a paid job but a position and the designer will be referred/advertised in everything we do, which is a possibly a future income.

Thanks for viewing this Thread ?
