Thread: [\[UPDATED\] Rate my deface \[UPDATED\]](#)

palchums - May 8, 2012, 4:23 am

Hey HF!

So i finally updated my deface with music, background and such. Thanks to One_FreeD0m for helping me with my deface. Here is my final product:

<http://pastehtml.com/view/bxd7ago65.html>

I would like any ideas i should add to it. Thanks.

The Plague Doctor - May 8, 2012, 4:25 am

It seems really basic and the same as all the other defaces that have been posted before, 3/10 sorry.

darksrc - May 8, 2012, 4:32 am

So many grammar/spelling errors it makes me want to punch baby orphans in the face... with a crowbar! Please fix it

~Ultim8um ?

ok, what should i add to it? to make it "better"

#Realtalk. - May 8, 2012, 5:33 am

if i just knew how to deface it would be awesome but i love it it looks so great!
