Thread: [\[\\$220\] 1066842 \[Avatar™\] Almost Scammed by Factor8's imposter \[Warning\]](#)

Neal Caffrey - May 9, 2012, 1:15 am

Hi Guys,

First off, I would like to say that this may have been an impersonator, so I won't go as far as to directly accuse him of scamming.

As people has requested, the other members link is
<https://hackforums.net/member.php?action=profile&uid=1066842>

I would link his profile, but I don't want any false accusations being laid against him.

Story: Me and White Shark were about to trade,
He pulled a Staff member to be the middleman.
Middleman was called Factor8.
Middleman ran off with money and items.

Btw, his Skype is Factor8. WITH the DOT.

bugga - May 9, 2012, 1:21 am

Well it is as easy as asking the guy you dealt with for a picture of the person called Factor 8's profile of skype. Anyone who has him added will know if it him or not, although I highly doubt it. I have had someone impersonate me to scam as well, its not very nice.

He isn't being an idiot, he is simply stating what happen and has every right to. Whether it is factor 8 or not (and I doubt it), it makes people aware not to do a deal without speaking to Factor 8 on here first.

@ Neal, I meant if the guy from skype had the Factor 8 person on skype he could of shown a screen shot of the actual contact name from the profile.

No, you can not post personal details like FB on here.

Factor8 would never scam, there's no reason why he would.

Ghost.13 - May 9, 2012, 1:36 am

You said there was a DOT at the end of his Skype name right?

I doubt it is Factor8 himself.

A lot of impostors are using the so-called DOT to impersonate high profiles here.

bugga - May 9, 2012, 1:37 am

Its amazing how people just read the title and not the actual thread, are you all that vague really ? He isn't accusing anyone and even states he doubts its the real Factor 8, he is just making people aware not to make the same mistake he did. And only deal via PM, never off site.

Some of you carry on like two year olds, more worried that Factor 8 sees you all brown nosing him, then actually being able to make a constructive post.

EKNOZ - May 9, 2012, 1:40 am

Oh wait, Anyone can tell who is scammer..

1. Whiteshark said factor8 is online on HF, he said he pm'ed him and said that he got Factor8's id.

^^ You can see here giving him that fake id.

So obviously scammer is whiteshark.

Guys,

Stop giving the kid a hard time... He didn't say it was him, but only an impersonator.. He's stated that multiple times in the OP.

Next time, learn who you're dealing with.. I would open a scam report on the guy that 'got the middle man' as him and the impersonator were most likely working together..

I hope it wasn't to much money, because I don't see you getting it back..

However, good luck my friend.?

Whiteshark is the scammer, not factor8. whiteshark pulled in a fake (knowingly)

factor8 doesnt MM over skype. he does it all over HF PM and is very very meticulous with it.

Okay, still following?

The problem here is that F8 doesn't do deals over Skype.

Which means F8 didn't give him his Skype or add him.

Which means White Shark lied to you about PMing him.

This guy Avatar is completely lying. He's been imposing members like The Grim and Factor 8 etc and then trying to frame me. He's handing out photoshopped screenshots. He, i think is Subscription who got banned. I was talking to this guy on The Grim's imposted skype for an MB exchange earlier and told him to send me the screenshot of his history and shit so we can deal and this on this ID there is no payment of \$264 in the screenshot.

PROOF OF THE SCREENSHOT I WAS SENT EARLIER TODAY: <https://i.imgur.com/pjMXs.png>

BAN THIS SKID! It's his MB/AP itself and no one is stupid to send that payment despite knowing that email is false. WHAT A LIE!

I'll just reply here once.

Anyone who dealt with this so called impersonator on Skype/Msn is a Moron. A Big Moron. You can keep on spreading your tantrums or BS here!

It's easy here. You be a Dumbfuck who deals with anyone claiming me on IM/Skype!!!

Hey! Deal with Obama also please because the guy who added you on IM. He was the president of the USA right!

Keep on getting Fucked & Screwed like a Moron OK.

Rest all, I'm tired of this BS when people cannot understand how to be safe online.

Also@ Neal..

Just stop dealing online OK. You are incapacitated really to conduct any deals online. Why! Because you been on HF for some time and you know how it operates!

I'm not pissed because you dragged my name into this really. I feel funny when old members do this crap daily and CRY.

You all think You're so smart right! And when you get scammed, the entire facade vanishes!

Factor.8 is my Skype...

Keep on dealing with imposters and enjoy.!!!

@Avtaar also...

The day i find your tricks. Trust me. You will regret that you actually did this drama.

I don't fuck anyone neither i get fucked.

Any of you think that i can be Fucked are badly mistaken.

Get this straight here. I do not Fuck my stakeholders OK. They are my priority and lifeline.

Out of the like 300 deals I've done, this is the second time I've been scammed, this is the second time it's gone wrong. And I'll prove Avatar is a scammer or an imposter either way.

Tor - May 9, 2012, 3:57 pm

I am sorry for the money you loss , but try to Pm on HF also , just to check.
Hope you can get something done.

~zander - May 9, 2012, 9:26 pm

Perhaps a good idea would've been to ask for a PM from Factor8 himself :o?

Funnily enough, I tried to send money to the ID on your Payment slip, and it appears that the account doesn't/never did, exist.

So yes, I got my pages, but you photoshopped the payment proof.

bugga - May 11, 2012, 12:44 am

I suggest seeing no one actually owes anyone anything now, you close this shit fight up.

I think with all the detail in this thread people will deal with caution in future. Sad how low people will sink to try and pull a scam and try to take good and contributing members names down in the process.

Good luck in future deals Neal and the guilty party will hang himself in the end, there is no doubt in

my mind.

Neal Caffrey - June 10, 2012, 10:44 pm

Bumping this to the top since the user in question feels necessary to my Reps :)

Just case anyone is about to deal with him/her

Neal Caffrey - August 19, 2012, 12:12 am
