Can't believe this guy.. Thanks for effortlessly sharing this..

BUT fact is all you did was use the original admin.txt contents, and copy/paste it; over 5 times.

I would assume this is to gain substantial amounts reputation, as apposed to actually giving something you've put effort and time to share.

Proof: <http://pastebin.com/9tke5NFL>

fail is fail. Asshole.

I need this :P, Can you send it me?

Thanks in advance

reason3 - May 24, 2012, 11:57 am

Thanks for the list.

I did a quick check and found some duplicates though as well as some lines that could hardly ever be a possible admin login.

Aside from that, great way to improve a great tool.

Can't believe this guy.. Thanks for effortlessly sharing this..

BUT fact is all you did was use the original admin.txt contents, and copy/paste it; over 5 times.

I would assume this is to gain substantial amounts reputation, as apposed to actually giving something you've put effort and time to share.

Proof: <http://pastebin.com/9tke5NFL>

fail is fail. Asshole.
