anyone know of any good anime like the ones listed above and below?

:Sekirei

:Girls Bravo

:heavens lost property

no only Sekirei and thats if you get the uncensored versions.

anyways just animes like the ones listed above doesnt need nudity to be good.

Girls bravo has some nude in it as well.

Maybe you can try To Love Ru, looks similar, I've never seen it though.

Ecchi ftw lol Anyways back on topic try Kissxsis Nyan koi! or Sora no Otoshimono then do Sora no Otoshimono forte-Only if you finish the first season.

I logged on Netflix and my girlfriends little brother was watching Girls Bravo, so we sat there and watched it together and the we had him explain what it was. Never seen a kids face so red in my life xD
