Come on Teamviewer, buy me something for \$1 via PayPal and I'll give you \$1 LR which is equivalent to \$2 PayPal :), you may also opt to do this more then once, I can pay you in excess of 4 times but we have to order 4 seperate times.

You will also be allowed to clear my cookies, cache, etc, close my browser, before exiting TeamViewer.

I'll let you check every active process on my computer? I don't know what else to tell you other as I mentioned in the OP, you may clear all of my shit and so on.

I need something from FB but I can't use PayPal and I'm the only one able to login to my FB.

It's facebook, if we don't do it on TV they'll block my account for logging in somewhere else because I'm not phone verified.

I had PayPal until they decided to limit me forever.

Do it if you want, don't do if you don't want to. I've never ever had a deal dispute on me in over 100 marketplace deals.

I never said you were not trusted, don't worry ! :)

Good luck !

most_uniQue™ - May 17, 2012, 10:15 am

Haha logging into PayPal on your computer?

That doesn't seem very trust worthy...

Yellow™ - May 17, 2012, 12:07 pm

I can do this for you. PMing you now.
