Thread: [\[Ub3rs only\] BF3 origin giveaway](#)

**RainBowHat II** - May 18, 2012, 2:38 am

I've got tons of logs with origin accounts but I can't seem to be able to sell these so I am going to give them away.

I'll be trying to giveaway an account each day.

Simply post an number between 1 and 15 and I'll be picking the winner with random.org

I will close the thread and PM the winner as soon as all of the numbers are taken. I might re open the thread and ask the winner to post that I have indeed gave him an account. P.S : These are cracked accounts so it may get recovered even tough I doubt.

Good luck.
