Thread: [Any recommendations after watching Gosick?](#)

Azsry - May 18, 2012, 6:21 am

I just finished the series today. I can't stress enough how much I loved the series. What other animes are there that are like Gosick, or what animes have you guys seen after watching Gosick?

This might help.

Now just for the hell of it, Umineko also has this European style mystery feeling.

Bleach best thing ever or one piece.

kemronkelin - May 20, 2012, 12:51 am

anime similar to Gosick, which has:

1. Good plot
2. Beautiful/good animation
3. Romance
4. Mystery

Then that's be great. I already know about:

- Code Geass
- Death Note
