I feel like lately the AA poll has only been about sex appeal.

O_o What? Last poll was about how people picked the series they watch and before that was how long people liked their series.

Glasses hands down, it's just something about them.. XD

Prox - May 18, 2012, 8:34 pm

Ehhh.. Its hard D: From the pictures I would have to say no glasses. BUT! I do think some girls I see are actually better with glasses. It gives them that cute innocent look :3 But for anime, all girls are cute and innocent XD With that I have to say no glasses for anime.

·Lawliet· - May 18, 2012, 8:54 pm

If we are talking about anime girls, glasses of course :B

sneekybasterd - May 18, 2012, 10:31 pm

Glasses, to me, look way better when used in a subtle manner. But, still I pick glasses. Spoiler [\(Click to View\)](#) Btw the last picture of Nagisa, SO CUTE.

SIM-524734 - May 19, 2012, 1:36 am

Fuck, can't decide... I'll have to go with both D: Dey all amazing :)

Programmargorp - May 19, 2012, 2:16 am

I picked no glasses because of Nagisa
Nagisa-chan ga kawaii desu~

wellager - May 19, 2012, 2:30 am

No glasses.

They can look horrible or wonderful with glasses, but without glasses is better.

Kina - May 19, 2012, 10:35 am

No glasses for me.

This is a good one Spectre pretty even on the votes. Best poll yet imo.

Angel Beats! - May 19, 2012, 11:49 am

Glasses, on both real life girls, and anime girls, it's cute on both :3

·Lawliet· - May 19, 2012, 11:51 am

Lol'd at 50%/50%

Pretty fair poll tbh =]

Rakshasa - May 19, 2012, 1:27 pm

This very much depends on the character, some girls can look great with glasses, while others look like arrogant bitches..

I really have no preference in this case, thus I'm not going to vote.

wmcDonald - May 19, 2012, 1:38 pm

It's soo hard but for me no glasses.. 50%-50% :S

Montie-Kin - May 19, 2012, 5:27 pm
