Hi Hack Forums, for my 100th post i will be making Three free animated avatars, these won't be like omfg super amazing as i am just starting out, but because of the amazing amount of people that have helped me out, i want to help you out too!

These are some examples:

Of cause you will be able to change:Colour

Brush Size

Font

Blending options

Text

To have a change at winning, just reply to this why you want to have one!
I will pm you that you have won.
I'm gonna give 35mins to reply, as i would like you to have them asap :)
Good Luck :)

I like the last one the best :P
If you could make a gothic "M" with a red fading into black gradient i will be very grateful. :D

Other than that i like your scan lines on the other 2.
