what does "unsaturated" mean?

also there isn't enough info on what this "activity" actually does.

most likely the "legal" part is false.

Ok with all due respect... this has turned out to be a waste of time.

after an hour trying to get a survey that worked - I then got the file only to find out that you need to use daily Keys through more surveys.

A few of which were malware infected.

This thing is meant to exploit surveys instead it's exploiting us to access surveys.

Sorry but I don't think the benefit has out weighed the time I've wasted

Unsaturated Is a term used to Define how many People Use a Tool or Money-Making Method. Its a Term mainly used in Forums. As for being Legal All my Methods Are... While some may Cross a line or two... they never Cross the Law.

Hope that Helps :)

All the guys that requested this please read it!

This guy pretends that has an exploit that can bypass surveys from some websites. He sent me a pm, and it had 4 links. All of them were adf.ly links. The 2 of them was links for GTP sites. The other 2 were links for the ebook with tutorial about bypassing surveys. And the links were Shareca\$h links! Please don't waste your time!

ThatsComplex - June 22, 2012, 8:48 am

I AGREE WITH THE GUY ABOVE, ITS ALL BS YOU'RE BETTER OFF BUYING A EBOOK IN THE BAZZAR SECTION, He sent me the Survey pass tool & after that i needed a password to access it & the only person that would give me the password was they guy hes working with and he said to email him that he might give me a 24hrs pass only, like wtf 24 hrs only?

I can't understand your logic. You give us a survey bypasser and the link for this programme is a link with survey. So, what's the purpose of this? ??????

Just a heads up to people: this is all share-cash and some other survey to get download sites. You can't do anything unless you complete the surveys. So if you live in a country where most surveys are unsupported, then don't bother with this.
