Thread: [What not to post.](#)

MyNameIs940 - January 29, 2010, 6:52 pm

Do not post threads about the following:Post count

Rep

Getting ub3r/l33t

Warning level

iBruteforce has cleaned this section of any threads that deal with the above points and if anyone posts them in here they will be moved to the lounge and warnings will probably be given.

iBruteforce - January 29, 2010, 9:41 pm

Yea, I'd like to see this section how it used to be.

werox1337 - January 29, 2010, 9:51 pm

good move... there was many thread for post count....

but it seems this section will be hardly active now on.

iCookie - January 29, 2010, 11:16 pm

Then what are we suppose to post on then?

Our fapping achievements ??

It doesn't say we can't post that so I assume we can. TIME TO GET A FAPPING ACHIEVEMENT.
:)

Stuff worth bragging about, rooted sites, expensive purchases ect..

What's the point bragging about HFleet when everyone in this section already has it?

werox1337 - January 30, 2010, 5:40 am

It will be better if you make this thread sticky over here.

No, when people post post count threads and they get moved then they will know that it's not allowed. I was told this will not be a sticky when I made it so I doubt it will be a sticky.

Widow's Peak - January 30, 2010, 10:07 am

What if we post in the lounge and its moved to bragging rights?

MyNamels940 - January 30, 2010, 10:09 am

All the staff know not to move it here.

Nima304 - January 30, 2010, 10:59 am

This is not a bragging thread, should be moved in my opinion.

But it'd be rather silly to put it in another section, when it's talking about this section, no? XD

Then sticky it, or I shall bump other threads until this is on the very last page.

werox1337 - January 31, 2010, 9:44 pm

yup.. if this rules are to be followed then sticky it :d

Something2Die4 - February 1, 2010, 12:04 am

Hmm...

These rules do not say anything about posting about our own thread..

DO they?

cobija - February 1, 2010, 3:28 am

I noticed people are getting banned now for excessive rep abuse..its weird because other forums don't mind it that much

Hack B4 Bed - February 1, 2010, 4:31 am

Well most places I guess doesnt have rep abuse, thats why they allow asking for rep..I think our

community is just a little bit too big

elitexero - February 3, 2010, 3:31 am

This should be stickied.

pushl %ebp - February 3, 2010, 9:31 pm

I hate it when people post about one of the above. I like your idea MNI940.

cobija - February 12, 2010, 5:29 pm

I still think post count bragging right thread should be ok..I mean whats the point of a bragging section? All people post are like "I just took down www.google.com".

Plus, im like 3 posts from 2k :D

Oh, I didn't know this wasn't allowed.

Those kinds of threads are getting a bit annoying now.

ra1d - November 15, 2010, 6:58 am

So i can brag about my birthday tommorrow right ? ?

Cyber Hacker - November 15, 2010, 8:03 am

I Dunno Why People Post Thread Like That (Got 100 Rep) (1000 Post) etc :|

Paul - November 15, 2010, 7:31 pm

This really needs to be enforced. I mean is bragging about getting l33t/ub3r suppose to make us jealous when we already have it?

Infallible - November 16, 2010, 2:01 am

It's so annoying and it has got worse now. People are like 694 post yeh. Just picking random numbers.

Kate - November 16, 2010, 4:34 am

Nice that you've ed it to the top. Recently many such topics were there, I reported them but no action was take. Also, the list need to updated, there are many lame topics like Today is a great day :), Booted someone offline etc.

This section was made for your rare achievements and not for the day-to-day one's. The section need to be cleaned.

Cyber Hacker - November 16, 2010, 6:57 am

Make This Thread " Important Threads " Pinned I Mean :)

Kate - November 17, 2010, 4:27 am

Still the ill practice is going on. I guess other fellow members need to see it.
