Thread: [Markmp3 \[Top Quality Free High Quality Downloads\]](#)

Markdapimp - May 23, 2012, 11:23 pm

<http://markmp3.net/>

Very fast query results from 4shared,mediafire and even amazon and other filesharing sites

what we do?

We harvest .mp3 files that have the highest stream rate and put them into our database ready to access via the search and click of a button

I'm not advertising but you should make your site more like this. www.musicbot.eu.

Great site though. I saw the script on mafiascript forgot what its called.

Infinite. - May 23, 2012, 11:41 pm

Seems like a fresh clean website.

I might use it.
