Thread: [\[MASSIVE\] GOOGLE DORKS LIST - 7014 DORKS \[MASSIVE\]](#)

?mnipotent - May 25, 2012, 6:53 pm

Most Massive Google Dorks List To Date! Counting in at a huge 7014 google hacking dorks this is the biggest google hacikng dorks list yet!

Spoiler [\(Click to View\)](#)

The "Google_Dorks_All.txt" file contains every single google dork that is include in the pdf files, but just put together inside of a .txt file.

Contains 12 pdf files full of google hacking dorks

The "Read_Me.txt" includes some basic information about what a google dork is.

The "target_dork_search.html" is a simple html page that lets you search a specified website with the google dorks provided. You can also regularly search google. Spoiler [\(Click to View\)](#) In order to change your target site in the "target_dork_search.html" just right click on the file if you have an editor of some sort it should show up, if not go to "Open With" > "Choose Default Program" Uncheck

"Always Use The Selected Program Tot Open This Type Of File". Next find notepad. If you do not see it click "Browse..." and in the top where it displays the path click and replace what is there with this: "C:\Windows\System32\" then scroll down until you find notepad.exe. Choose that one. When editing the file find where it says "YourTarget.Com" change this value to your actual target's website. Finally, save it and you are good to go!
