Thread: [AA Weekly Poll #10: How often do you watch anime?](#)

Angel Beats! - May 26, 2012, 8:19 pm

Hae AA, it's time for our weekly poll. For this one you are choosing how often you watch anime!

[Last week's poll results:](#)

By just ONE vote, you guys decided that the majority of AA prefers girls without glasses as opposed to girls with them!

This week's poll: How often do you watch anime?

This poll is all about choosing the amount of time you devote to anime in your life. It's pretty straight forward. Here are your options:

I watch it almost every day (or like every other day)

I watch it at maybe a few times a week.

I only watch it on the weekends.

I watch it whenever I feel like it.

I don't really watch it anymore.

Feel free to leave a comment as to why you picked what you picked. This is not a debate thread. Poll is public and single choice only. Poll will close in 5 days.

Know a good poll topic? [PM me](#) or [PM Sp3ctr3](#) and your topic may (actually almost probably will, we're running out of ideas) be the next AA poll!

Osuka - May 26, 2012, 8:24 pm

I picked (I watch it at maybe a few times a week), because i usually don't like watching it 24/7, so i watch like at least 10-20 Episodes a week, so i watch it maybe like 4 days a week or sometimes more, depends if i'm into the show im currently watching at the time.

Edit: why didn't my Poll vote count?, my name is just up there :<

hikikomori - May 26, 2012, 8:33 pm

I usually watch 1-2 series a week, if i have free time. I don't really like watching anime all day, it gets a little boring.

I am going to start watching a lot more anime, since summer just started.

But, i do read atleast 5-10 chapters of manga a day.

?hadow - May 26, 2012, 8:46 pm

I generally watch a series a day (assuming it's 12-26 episodes long).

Ohh my.. O_O

I watch like a series a week, between 12-24 episodes..

Read manga always before I go to sleep though, if that counts.

OneandonlySunny™ - May 26, 2012, 9:13 pm

oneechan - May 26, 2012, 9:23 pm

I barely watch nowadays. ;w; Always busy, or have something else to do.

Twisted. - May 26, 2012, 9:47 pm

Whenever I feel like I guess.

More into manga recently.

Sidenote, last thing I finished was a Jdrama, actually.

Prox - May 26, 2012, 9:51 pm

The amount you watch is irrelevant. Everyone should pick the fourth option because you shouldnt watch anime if you dont feel like it .-.

I watch when I feel like watching it. Doesnt matter how much. :3

???? - May 27, 2012, 12:13 am

I voted "Whenever I feel like it" because I don't watch anime every single day and sometimes I go 1-2 weeks without it but sometimes I will watch it everyday.

It really depends when I feel like it.

Sorun - May 27, 2012, 12:21 am

Some time it's almost every day and some weeks its only a few episodes. VN's, Light novels, manga, and doujin fill in the weeks that I only watch a few episodes.

Night Weave - May 27, 2012, 2:21 am

i have my own option because i watch anime every day juice is in my room and food so i dont have to leave my room i watch anime every day and i am proud of it

Yuusha - May 27, 2012, 4:32 am

Almost everyday and a few times a week are pretty much the same but I guess it's a bit closer to almost everyday.

Levi - May 27, 2012, 5:32 am

I watch anime everyday, the amount I watch depends on the anime.

rinluvr - May 27, 2012, 6:47 am

All day! Evry Day! Wake up, watch anime, took a nap. Woke up again watch more anime.
You eva go night night nigga, You eva go night night!!!!
errbody go night night!!

Incest - May 27, 2012, 8:25 am

I can't vote yet (100 posts), but I watch anime every single day. At least one episode/day. I usually end up watching more than that though. I usually watch it when going to sleep, but if I'm really enjoying something I will just watch it all day long.

Prince™ - May 27, 2012, 10:02 am

A few times a week . Because I no longer could find good anime to watch these days .

~Para - May 27, 2012, 10:32 am

I watch it every night

I spend the day doing other shit then when I take my shower, etc I lay down and watch it.

YERANUK - May 27, 2012, 10:39 am

I use to love Anime, but theres never anything worth watching anymore. Instead of anime getting better, it's only getting worse, it does not help that that a huge chunk of people like the ?moe?genre , for example K-ON , and it is really disappointing, how many animes tend to want to appeal to these these type of people.

Have you tried Ano Natsu? That was pretty good. But yeah, I know what you mean. However, don't fret! Little Busters anime is confirmed. It's made by Key! (who also brought you Clannad, and Angel Beats) so it's bound to be good! Not sure when it's coming out though. I've also stopped watching anime recently, I've pretty much seen all I wanted to for now.

tomchez - May 27, 2012, 1:47 pm

For the past week or so I've watched it everyday, but that was only because I had Ghost Hound and YuruYuri to watch in my folder.

Tarn - May 27, 2012, 5:44 pm

I watch about 4-7 hours a day and can usually finish 2-3 seasons a week. Yeah, I am obsessed.

KinGxKeV - May 27, 2012, 6:00 pm

I usually watch about every other day, but lately I have been watching everyday this past couple of weeks

I can usually finish a couple seasons in a day.

BeMyEscape - May 27, 2012, 6:02 pm

Usually around 1-3 episodes per day... if anything good is uploaded as ive pretty much watched everything good out there.

Retribute - May 27, 2012, 6:35 pm

I usually watch a 2-3 episodes a day depending on my work load.

Kina - May 27, 2012, 7:24 pm

Right now I am in a slump and havent watched in a while.

Yui Hirasawa - May 28, 2012, 4:05 am

Depends, If I find something really interesting, I will watch it one after the other.

Normally however, I watch around 1-2 episodes a day.

When I'm in my mood, I watch around 2 seasons a day, If I can get through it.

Skyking - May 28, 2012, 7:16 am

Unfortunately, because I am in the midst of exams, I only have time to watch it a few times a week.

Tasemu - May 28, 2012, 7:26 am

Few times a week, its getting harder to find new stuff that really pulls my attention.

SIM-524734 - May 28, 2012, 7:42 am

Depends if the series is good or not. If it is, I watch everyday for 4 hours ^^... If it's a 'meh' one, whenever I feel like it :)

·Lawliet· - May 28, 2012, 7:51 am

As much as I try watching it during the week, I've only been able to watch anime on weekends sadly
=|

b a e - May 28, 2012, 3:42 pm

I watch anime in bursts. Like every so often I'll just burn through two or three series (assuming they are also between 6-12 hours long) in a sitting and not watch any more anime for a week, and repeat the process.

I do read 1-2 chapters of manga a day though, unless I'm really into it. In that case I can burn through 20-30 chapters in one sitting.
