Son of a bitch, well nice job with the hacking though.

CocaineGFX - May 27, 2012, 8:12 am

Thanks bro, im a newbie about website hacking ^-^ thats why no deface ..

Diabolic - May 27, 2012, 8:15 am

So, we can actually get a .gov email?

CocaineGFX - May 27, 2012, 8:16 am

I dont know, maybe some one knows the webemail login shit. And you can SE ppl.

Diabolic - May 27, 2012, 8:30 am

Well, thanks a lot for the share! ?

The2K - May 27, 2012, 8:34 am

Nice leak, thanks for the share! (Some pws don't work though, expected.)

CocaineGFX - May 27, 2012, 8:36 am

Yeah some MD5 is hard to crack but some not. Hopefly it will work enjoy!

SIM-1073426 - May 27, 2012, 8:37 am

And every password is changed :[

To bad.

CocaineGFX - May 27, 2012, 8:39 am

yup... Said to hear that, :(
