Thread: [Can i change my AIM username?](#)

Mr Swizzer - May 28, 2012, 4:25 pm

So i am sick of my old AIM username, Can i change it to something new?

No you can't just make a new one and load your buddy list, but skype is where it's at..

World Advancement - May 28, 2012, 4:27 pm

nope, you can however change your display name so other people see something different.

How do i import a buddy list on a new account bro?

PM me, If you don't i will Google anyway :)
