it's not 11 emails, it's 103 emails

aSmoo - May 29, 2012, 2:39 pm

Well probably by 11 he means that 11 emails are OG...

I am pretty sure that someone who is active on 20+ forums where peoples are looking for hotmails will make a good profit with these.

aSmoo - May 30, 2012, 3:50 pm

Still selling this.

Let me know if you are interested.

Techno - May 30, 2012, 3:52 pm

Some nice emails there. You'd get more selling them separately though.

aSmoo - May 30, 2012, 4:03 pm

I know I could get more by selling the separately but I am in need of fast money as I have a little project I want to start.

aSmoo - June 5, 2012, 2:20 pm

Hey guys,I will give all these emails right now for 30\$ LR.
I need LR badly right now so yeah.

Let me know if you're interested.
