Thread: [\[Giveaway\] Personal PSD Pack \[Giveaway\]](#)

Sejskaler - May 31, 2012, 4:36 am

THIS PACK IS 1 year old (at least), I will send it to everyone when I wake up tomorrow, if I have time, it will come by tomorrow!

Well, so I did this when I reached a 1000 posts last time, which is quite a bunch of time now ^^
Well, some may know me, some may not, but I am today giving out a PSD pack, with my personal files, it is around 1.40gb big, and holds released and unreleased pieces of work.

You will get a adf.ly link, since I have intention of making a little money from it, and as far as I am convinced it is not a survey site, so I guess you can wait those 5 seconds and give me a little money for this ^^

If you do not like it, and do not wish to support me, say so in the PM, and you will get a direct link.

To get this file, I wish for you to post in this thread, and PM me, if you do not wish to PM me, just post here, and tell me that you do not wish to PM me, you will get a PM from me then, with the file, though your post must concern the details needed.

If you find anything wrong with this thread, please say so, and I will correct it.

So, now, let the posting begin, this is for every member, because I don't care about rank ^^

Please read the "Read me" if you wish to.

Now, let the posting begin ^^

LINK HAS BEEN UPDATED TO DROPBOX!

There you go, sorry for the late reply, had lessons ^^

Well, for anyone asking by now, you will probably get quite a late reply, but not more than 24 hours, do not worry, because there will be food in 30 minutes, and from there I will get internet in around 4 hours or so, since I have some events, so be fast if you wish for it fast, else you probably got to wait around 12-14 hours ^^
