Avast Pro 4.8 AntiVir KeygenCoded by Soul Collector

Hello everyone. Well, I was bored so I decide to make some really simple, but useful tool. So I made Key generator. It's coded in Visual Basic 2008 Express Edition aka. Visual Basic .NET. I added more then 150 keys - 80% of them are valid keys. I will continue with keygens, because they are easy & useful. Btw leave a comment with your feedback & ideas for next versions. Thanks ?
