Thread: [rotating a picture randomly in HTML?](#)

? Death Disturbance ? - June 2, 2012, 1:32 pm

I need help on making a picture go like randomly on a website.

Like it spins in a circle around the side.

Or like the nyanit website.

Will credit the guy who helps me <3

Onetwo - June 2, 2012, 1:34 pm

That is not possible in pure HTML, buddy. ?

You should be able to make a picture spin in Javascript. I don't know anything about that website.

John. - June 2, 2012, 1:39 pm

Yeah, I'm pretty Javascript will do.
