Thread: [humblebundle.com Steam game bundle | I Donated and giving the game/s for free!](#)

SIM-964740 - June 4, 2012, 2:10 am

Hey guys I just donated \$15 to Humblebundle.com and I would like to give away the steam game/s code to one lucky winner. Here is a picture of what you get and the available options:

I know that there not well known games but it was more for donating money to charity. Aparently Psychonauts is a good game, I have no idea as I have not played any of the games. I hope that some one can get some fun out of these games, best of luck.

How to enter this competition

To enter simply post your number, 1-20, I will then pick a random number and then PM the winner with the details on how to redeem the games. Below is a list of the user-names and numbers that the user/s have chosen.

Thank you very much for joining my competition, best of luck!
