Actually im speechless....perfect work dude..great idea...i'd give it 10/10..good job =)...my only suggestion is to assign an extension to the created scripts and add open with option..so that u can run the scripts with a double click..

**Charny** - February 1, 2010, 8:02 pm

Thanks for the comment :)

And I'll try to add something like what you suggested.

**cyb3rp4nda** - February 1, 2010, 8:03 pm

nice share is it for a bot or? virus maker?

**Charny** - February 1, 2010, 8:11 pm

Thanks,

And it's like a macro maker.
