I absolutely loved Yu-Gi-Oh! I still play it, only not as frequently. I play a modified version of Blackwings. My first ever card was a terribly crumpled Winged Dragon of Ra which I received from my friend. That got me into the actual anime. I watched all the ones up until 5ds. I have no interest in watching that series. ;_;

@ milkychipz accepted, welcome to the group man. If you post in the anime section about Yu-Gi-Oh at all, try to use [DMC] as your thread prefix :)
