Do you accept paypal?

Id be willing to send you the \$1 just for the method.

Or a vouch copy if you want to do that.

Aspolale - June 15, 2012, 11:47 am

Want to possibly give me a vouch copy /etc I can say evaluate the niche /etc.
Check my threads I earn alot with fileice.

DashPHP - June 15, 2012, 11:48 am

A vouch copy would be nice! By the way, you need permission to be giving out E-books on how to get accepted into File ice. PM RadarX or Opc ASAP

Vouch for this ebook
It has 7 methods to get you the download.
It has a pre-made Template Too which you just need to upload
Other methods are HOT too

I did not look into the first section i.e Getting accepted into file-ice as i already have a account.

The book is rich in methods then graphics...I will recommend this ebook to anyone who is having a hard time in starting up in PPD
