Thread: [What is the best stealer ATM ?](#)

JustSeller - June 19, 2012, 11:22 am

Hey !

What is the best stealer ATM ?

Ive try Unknow logger and Istealer 6.3 they are both sux..

br0ck9 - June 19, 2012, 12:46 pm

I don't think there is one atm. There was HC Stealer but now it's outdated. And iStealer but it's been outdated for a long time now.

Predator Pain Dynasty has the most stealer options on this forum.

if you are a good coder the best stealer will be your coded one ?.

Because you know how it will work and it will be free and you can reFUD it your self.

SexyFuk™ - June 22, 2012, 7:48 pm

Your self is the best Stealer, Steals everyones money and then makes/influences them to give me -rep.

do u guys know of any basic keyloggers that i can have for rs stealing?

also for my last post i need it to be free.

Peppermint Butler - June 23, 2012, 11:05 am

The creator of predator pain also has made free stealers for runescape.

I would say blackshades is one of the best.
