Amazing Service he made me my own custom area to create my accounts!

Hennon - June 20, 2012, 3:18 pm

TIP: you should add all previously created accounts to "See Fakes" currently it only dispays the last one.

Its A Bug. I am Not An Expert In PHP. Though I am Trying.

BlancLeopard - July 21, 2012, 2:18 pm

I don't exactly get it, I added you on skype right now though!

Nice... Not completely sure on what this would be used for? fake followers?
but amazing work regardless

zezima96 - August 7, 2012, 11:06 am

I know this is considered grave digging -- But can you fix the "See fakes" so it displays all recently created accounts?
