Thread: [\[Tutorial\] Reversing protected applications using memory loaders](#)

HackMutant - June 20, 2012, 6:21 pm

This is a tutorial i made some time ago, nothing really special to make a tutorial for. I was just asked by some members to make one so i thought I'd give it a try, now i have the time to share it!

Format: SWF
Length: 28:23

Thanks for posting it, I enjoyed what I could get out of it.

Also, I don't know if it's just me but the recording seems to have a pause between 19:10~ -> 22:000

You're welcome.

There was an extra delay on that frame, now fixed and re-uploaded :)
