These sites are the ones a lot of people pay attention too.. Your probably going to get arrested in 1 day.

Go for websites with lest popularity.

spectrum10 - June 20, 2012, 9:40 pm

NO!!! Keep going bro! Dont be a skid and target useless sites, keep it up, challenge yourself! If your going to get caught dont get caught hacking some low level shit, get caught hacking something no body has ever hacked before XD

Dang3r.Person - June 21, 2012, 12:11 am

Thanks for cooment let me select next media sites

Prithvi - June 21, 2012, 12:34 am

Good work bro

Keep it up..

Dude nice... (if you did this)

If you did, Hopefully you were using a VPN.
