Thread: [\[Newbie friendly\] Airbrush/Realistic coloring Tutorial \[Detailed\]](#)

Sejskaler - June 22, 2012, 3:33 pm

I used this lineart for this tutorial:

<http://browse.deviantart.com/?order=9&q=lineart&offset=192#/d2ilg9z>

Please do CnC and keep this thread alive ^^

Here you have the tut:

No comments? Awh, come on :I

Took quite some time to put together...

It looks good. I'll try use it Soon. Thanks and nice job

Ryuuji Takasu - June 30, 2012, 1:40 pm

Looks good sejsk knew there would be an easier way :D

xion. - June 30, 2012, 9:59 pm

Great share, thanks for taking the time to teach us.

Thank you, Would you mind sharing the outcome?

I would very much likely see what people gets from this very tutorial.

Thank you, I will always take time to teach, I love when people learn something new, since I strive for newer things. ^^

Cawex - July 1, 2012, 6:02 am

Nice tutorial mate :)

This is my outcome:

I see, try not using that host, since it is censored.
The outcome is ok, but I would recommend you using some more time ^^

I notes :D just uploaded it to another site >.>.
Yeah i know just had to try your tutorial fast :P
dindt really put that much effort in to it :)
