LEVEL 6 is coming up! <https://hackforums.net/showthread.php?tid=2621677> ~*Zixem ?

amitsl - June 25, 2012, 6:55 am

thx

i will try it later

thats look like a hard challenge

Keeper - June 25, 2012, 7:20 am

Got the first hint, proceeding with the next challenge. So far looks neat and well thought.

deadlyicedragon - June 25, 2012, 7:22 am

challenge accepted!...shit i have to go to summer school :/

fobber - June 25, 2012, 7:23 am

Just wrote a PHP script, that should take care of this. Wish you would have told us the lenght of the password. Would have been much easier then! :P

Edit: Got it! ;)

Aha, that's the point ?

I think you will be the first who solve that challenge ?

Good luck!

Can you check whether your site is ok? I mean I found the password but it won't log me in. Just wanted to know if there is something wrong, not a hint.
