As a experienced rs player ,I have heard of the method used to make money .Alot of money can be made from doing this however the profit really varies you can either get 1m or even 2bil .The method I have seen in other forums before however it does not go as in depth as tim0teh has written it . Depending on the situation this method can bring in some good income. (Jul 2, 2012 01:52 PM)o_o

Waterroll - July 13, 2012, 11:24 am

do you accept moneybookers bro?

Im interested if this does work with normal box settings ..

And in a normal box fight with maxed stats vs maxed stats

tim0teh - July 14, 2012, 10:43 pm

Just sold another copy and still selling! Also I only accept PayPal and RSGP. So if you manage to use moneybookers to buy some RSGP you can pay with that?

Is this the method where you log out and back in to get the first hit in every duel?

The player ID system?

The rules obviously do matter look at the requirements, but it's a trick to win every stake.

???n - July 15, 2012, 9:09 pm

Does this involve boxing or mage boxing? Also do you have to turn on summoning or use a specific item?
