How can you guarantee they won't stay suspended?

Will the accounts have avatars?

Will they be old, or brand new?

Will they have previous tweets?

Will the have followers?

Will they be following people?

Will they continue to tweet, even after we buy them?

Please be specific ;)

Does this come with some sort of bot so we can add pictures and such? Also to follow people with
it?

Leg?nd - August 6, 2012, 10:47 am

I'm pretty sure these aren't as much ID's as accounts...

Dude ID's > Accounts > Profiles (Same Thing)

10k Twitter Accounts and if you want you could also get with avatars and without avatars as well
