Thread: [Looking for virgin mobile phones | NEWER!](#)

Disparity - July 3, 2012, 3:43 pm

Looking to buy a newer virgin mobile phone for cheap, i currently own the optimus V , im looking for a newer module.
anyone?

It's a great phone, it's pretty much the Evo 3D but it's rebranded to VM!

It has stock ICS so it's really worth the buck.
