Thread: [Giving away my signature space for free \[contest\]](#)

Hack-Forums - July 7, 2012, 7:09 pm

Hey HF i am giving away my signature space. I make tons of HQ post and threads and will be on a lot.

To get it you have to guess a number 1-100 whoever gets the closest will get a PM saying you win and you can show me what to change my signature to.
