Thread: [Taking requests!](#)

Goldfish - July 8, 2012, 10:57 pm

Due to the Response I got on my first release --> [HERE](#)

I will be taking requests.

Ub3rs&L33ts will get done first (Unless I'm almost done another)

*If I don't think my skills are good enough, I'll tell you right away, but then attempt if I'm not too busy !

I will be posting a small "Thumbnail" of your request, unless you state I can put bigger

*Contact info: Skype- Goldfish_HF

Can you give us a template or something. Lol, I'm lazy as fuck!

Goldfish - July 8, 2012, 11:13 pm

A template of what? give me something to design and I'll do it :P Background ? Anything :P

Lol, nvm... A template like how the group recruits do.

Name:

Age:

etc.

Except for graphics.
