Or add the program in winzip and put the password!

This method is more simple ?

WTF are you talking about? ?

VirtualDoctor - February 16, 2010, 1:05 am

all knew these :p

then im the only nab here hehe :)

-mothered- - February 16, 2010, 5:02 am

These have been a default of Windows for many years now. Nonetheless, good for newbies :)
