There is one little catch.

You're required to wear the signature for 5 days. Once done you're then going to be given a month in return for your kindness.

10 days allows you to have 3 Months ACCESS

Could I get in this? thanks in advance man # 13 Please :3

shooterman80 - August 7, 2012, 11:49 am

I'm going to this for more publicity. Many of us have put up OP's signature for a while now and have gotten nothing. As for the Skype Resolver, it looks as if it is working properly on his sale thread.

PS: Taking off the signature now 8/7/12. Had it on since 7/13/12. Almost a month, eh? Sent a PM to OP regarding this and it was read-->ignored.
