Fredo In The Cut - July 14, 2012, 9:02 am

I would like to buy this, going to pm you.

Lucid Apex - July 14, 2012, 9:11 am

I bought it yesterday for \$11. I missed that offer, although i do not complain about that! It's worth a lot because it's small, fast to read and easy to understand!

If you're kinda smart, you can do much more than that, yes it does exist! Vouch for you.
