Thread: [Kai Stern vs iElement \[UI Battle\]](#)

**Ahegao** - July 13, 2012, 6:43 pm

iElement and I did a UI battle.  
Please vote fairly and reasonably.

iElement's UI:

Kai Stern's UI:

@iElement, Good luck.

**Oni ?** - July 13, 2012, 6:49 pm

I'd have to go with Kai, it's just look more appealing

**Dark Energy** - July 13, 2012, 6:49 pm

Kai , way more appealing and user friendly

**Hug.** - July 13, 2012, 6:52 pm

I like Kai's better. Not a fan of the other one.

**Baghead** - July 13, 2012, 6:56 pm

I like Kai's better. Easier on the eyes and better colors.

**Nigerian Prince** - July 13, 2012, 6:59 pm

I like Kai's, It has a nice GUI. Nice job.

**Thursd?y** - July 13, 2012, 7:14 pm

I personally like Element's color scheme. They go good together.

**Maple ??** - July 14, 2012, 8:43 am

I voted for the second one because it looks better.

**Touch** - July 14, 2012, 8:45 am

Voted for you Kai :)

The design is sleek and looks pretty good :D

**Maxou56800** - July 14, 2012, 10:57 am

Kai Stern's UI is better, I think :)

**V i t a l** - July 14, 2012, 3:49 pm

I Like kai's seems a little more appealing and looks more friendly but i also like elements design,

**Whit3W0lf** - July 14, 2012, 10:15 pm

I think Kai's is more proffesional, no offense but yours looks like my 13 year old brother made it.

**Origin™** - July 15, 2012, 12:57 am

Would say kai, looks more sleek and appealing to the eye, otherwise i think both of them did a great job! (:

kai's one kinda had a kind of an Apple feel to it

**KoolAxd** - July 15, 2012, 4:03 am

im gonna have to go with Kai. he even but twitter and facebook buttons in.

**SIM-1332014** - July 15, 2012, 10:34 am

Voted for Kai Stern since it looks more clean :) and sci-fi :P

**Nate** - July 16, 2012, 3:42 am

Voted for my babies lelement love you <3

**Ahegao** - July 16, 2012, 7:31 am

The winner has been decided.

Closing the thread, thanks to all who voted and thanks to iElement for a great battle :)
