Well, just sign up for the SuperLucky mails and do the SuperLucky wheel everyday.

Other than that, take some of their shorter surveys and do some easy offers, no other way really :|

Dude,

Ive used all that shit, and its not worth it,
If u want money get a part time job,
for one week ive gotten 42 hours and thats at 7.25 and hours
so thats 315 buck in one week, and its easy work

No one would have jobs.

U show me that you can get 2100 bucks in one week by sitting on your chair and then ill believe you
